

## “Motivating adult learners' participation and persistence in lifelong learning - strategies & practical tips”

**Grundtvig Training Course: RO-2012-107-009**

**Comenius Training Course: RO-2012-108-009**

The training course aims to equip the participants with strategies to motivate adult learners to participate and persist in lifelong learning; and to facilitate sharing teaching and learning strategies that motivate adult learners. You will benefit from the European dimension of this course and recognise its potential effect on your own work as you engage in learning alongside colleagues from different European countries. You can expect to improve your communication skills (including your English language skills) and fully benefit from intercultural learning.

Up to September 17<sup>th</sup> you can apply to your LLP National Agency to cover all the expenses related to your participation in this course.
